

27 April 1983

Mr. Charles F. Turner
Senior Vice President
Comerica Bank
211 West Fort Street
Detroit, Michigan 48226

Chuck:

Thank you for hosting a very enjoyable lunch with the Detroit Committee. As a Washington bureaucrat I continue to be amazed and delighted at the interest Americans across the country have in foreign affairs and their willingness to commit their personal time and energies to it.

I was pleased with the opportunity to meet you and the other members of the Committee and wish you the best for continued good luck.

Sincerely,

John N. McMahon
